

Timestamps L2 Virtual Thread - Leadership Panel

International School Leadership in Europe in the Age of Coronavirus

Link to the full conversation video: <https://youtu.be/M7s0j pz0IDl>

0:00 **Welcome / Introductions / Zoom Explanations**

Facilitator:

John Mikton - IS Luxembourg - Head of Education and Media Technology

2:05 *Current situation : How long have you been online, potential update on current situation
A quick reflection **1 learning** you have engaged with that you **never thought** you would have to engage in ?*

Panel:

- Barry Dequanne (Director at International School of Zug and Luzern)
- Shary Marshall (Deputy Head of School Bavarian International School)
- Wayne Rutherford (Director American School of Milan)
- Teresa Belisle (Director of Learning Research and Development International School of Prague)
- Patricia Angoy (Lower School Principal/ Acting Director International School of Luxembourg)

9:49 **How has your thinking as a leader and leadership team in the context of the Coronavirus at your school changed/and evolved? What are some key learnings to share to others**

19:08 **Sustaining a school community online with wellness and well being short and /or long term what are some of the strategies you are facilitating as a school leader/leadership team? Any further thoughts- reflections since you have implemented these?**

35:47 **Curriculum and Learning. Delivering high quality learning what does it look like in an emergency online program compared to face to face? Are they different? Can you offer the same curriculum online as you do face to face? Thoughts and reflections from you as a leader and leadership team.**

48:19 **Open forum and conversation**
